

Primary Enrichment Activities 2017 / 18

SAXMUNDHAM
FREE SCHOOL

"Providing a foundation for life"

Activities For Year 3 Students

History Mystery

8 November 2017 (9.30am - 11.30am)

Join us and become a history detective: How can a person from the past be represented? Students will investigate different interpretations of a historical figure with local connections and use historical sources to form their own opinion of them. The activities will be based on Matthew Hopkins - Witchfinder General (but it would be best if students did not know beforehand (this is the mystery!))

Activities For Year 4 Students

Mexican 'Day of the Dead'

4 October 2017 (9.30am - 11.30am)

The Creative Team are celebrating the Mexican festival 'Day of the Dead', with lots of exciting activities. These will range from learning to play Mexican festival music to trying your hand at Mexican cooking in our food technology room.

You will also get the chance to discover the art of Mexico, with its illuminating color and form, it is one of the most vibrant and engrossing parts of Mexico's varied culture. So join us on this day of Mexican culture.

Superhero Comic Caper 28 February 2018 (9.30am - 11.30am)

If you could have one super power, what would it be and why? This workshop will give learners the opportunity to exercise their creative muscles and explore the comic book form. Students will become writing superheroes as they create convincing characters, imagine interesting plots and experiment with a variety of literary devices. Superhero capes are optional; a willingness to succeed and triumph against boring writing is a must!

Activities For Year 4,5 and 6 Students

Harry Potter Book Night

1 February 2018 (4.15pm - 5.30pm)

Harry Potter 'He'll be famous – a legend – I wouldn't be surprised if today was known as Harry Potter Day in future – there will be books written about Harry – every child in our world will know his name!' Calling all young witches and wizards! Join us at Saxmundham Free

School for a spell-binding evening of Harry Potter themed activities and celebrations.

Activities For Year 5 Students

Saxmundham Does Science 9 May 2018 (9.30am - 11.30am)

An exciting opportunity for students to learn and demonstrate their knowledge of the principles of Science. In our science laboratories, we will be investigating what components make up our food. How long will our food burn? Does this tell us how much energy our food contains?

World Pi Day 14 March 2018 (9.30am - 11.30am)

Celebrated in countries that follow the month/day (m/dd) date format, because the digits in the date, March 14 or 3/14, are the first three digits of π (3.14), Pi Day was founded by Physicist Larry Shaw in 1988. Join students and staff at Saxmundham Free School to celebrate World Pi Day. There will be a range of mathematics activities to experience including, Pi Discovery, badge design, crafts and number investigation.

Rapping and Unwrapping Poetry

25 April 2018 (9.30am - 11.30am)

What is poetry? What does it mean to you? This exciting session will give learners the opportunity to explore layers of meaning in a variety of different poems. Students will take part in a range of fun activities designed to boost their confidence, and equip them with the language and strategies needed to analyse poetry effectively.

Activities For Year 6 Students

French Café 11 October 2017 (9.30am - 11.30am)

Test out your French skills and enjoy some treats in our French style Café - order French food and drinks, listen to some French music and have a go at some competitions.

Transition Day 1 and Parents / Carers BBQ 21 June 2018 (9am - 3pm)

Students to be joined by their families for the BBQ at 4pm

Transition Day 2 4 July 2018 (9am - 3pm)

Team building activities with 'Wise-Up'

To book onto any of these activities, please complete and return the form that came with this booklet.

We look forward to welcoming you!
