

10 November 2017

WOODBIDGE SCHOOL

Dear Parent

We are pleased to let you know about Woodbridge School's annual Careers Fair which will take place next weekend on Saturday 18 November, 10am-2pm.

The Fair is open to all Suffolk pupils in Years 10-13 and is a good opportunity to gather career advice from a variety of fields. Please find attached a copy of the Fair's programme which will also be given out to all attendees on the day, free of charge.

Building on last year's successful event, we will also be holding 3 seminar sessions in the Seckford Theatre on the following subjects:

- Finance at university: from start to finish (Lincoln University) 10.30am
- Interview skills: from university and beyond (Leeds University) 11.30am
- The Apprenticeship route (Icanbea; Mason Trust; Apprenticeship Suffolk) 12.30pm

No registration is required, and no entry fee is payable. Please just feel free to turn up on the day and seek advice from any, or all, of the exhibitors attending.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Isobel Brown', written over a horizontal line.

Mrs Isobel Brown
Director of Sixth Form and Careers
