9 November 2017

Dear Parent / Carer,

Post-16 Pathways Evening – Wednesday 15 November 2017

I would like to take this opportunity to invite you to our 'Post-16 Pathways Evening' at Saxmundham Free School on Wednesday 15 November 2016 at 5:30pm.

The evening will involve post-16 Further Education providers from Woodbridge School, Framlingham College, Farlingaye Sixth Form, Thomas Mills Sixth Form, One Sixth Form College, Lowestoft Sixth Form College, Suffolk New College and Easton & Otley College. Each of these providers will be giving a short presentation about their institution and what they can offer your son / daughter for the next stage of their education. In addition the University of Suffolk will be in attendance to give advice on the choice of A-level subjects and how these will affect university course choices.

After the presentations you and your son / daughter will have the chance to explore and find out as much as you can about all the opportunities that each post-16 provider can offer. It is important that you take the time to talk about the expectations that you have and the aspirations that your son / daughter has, including the careers they are interested in and how the sixth form provider would be able meet these needs and expectations.

Throughout the evening refreshments will be served in the Restaurant, where you will have the opportunity to talk to staff from Saxmundham Free School with any questions you may have.

I very much look forward to seeing you at our Post-16 Pathways Evening.

Yours sincerely

David Lees
Headteacher
