Dear Parent / Carer

Michaelmas Term Enrichment Day

Here at Saxmundham Free School, we believe in 'providing a foundation for life'. Our aim is to provide an all-round education which inspires our students to develop a love of learning for life. We believe that as well as learning through a broad and balanced, traditional curriculum, our students should be exposed to all kinds of learning and experiences through our exciting enrichment curriculum.

Our enrichment curriculum takes place as part of our school week (on Wednesday afternoons) and at the end of each term. At the end of the Michaelmas and Lent Terms, 'Enrichment Days' engage our students in activities that are fun, memorable and exciting ends to an intense period of learning. At the end of the Trinity Term, our Summer Enrichment Week takes place.

The enrichment day at the end of the Michaelmas Term will take place on the 15 December 2017, therefore students who have been invited on the reward trip will not be taking part. This year students will take part in activities on the theme of 'Make a Difference'. Students will be allocated activities in the next few days and they will then be able to verbally pass on details of the activity they are involved in to you. All activities will be based around helping in the community or charity. A number of activities will involve students being off the school site on local trips, these may involve travel on a school minibus. If you do not give consent for your son / daughter to be involved in any off-site activities please contact the school before Wednesday 13 December 2017.

This year 'Make a Difference Day' is on the same day as Christmas Jumper Day. Students may if they wish wear a Christmas jumper over their school shirt and tie to support Save the Children and bring in a donation (suggested donation of £1). Students should wear the rest of their uniform as normal.

Yours sincerely,

James Woolven
Subject Leader (Humanities)
